Transit Lubricants

Flex Delivery Fee

Transit Lubricants has implemented a Flex Delivery Fee. This flexible fee will change each month based on the average wholesale fuel price of the previous month. The chart below outlines the fee schedule:

Average Wholesale Fuel Price ($/L)	Flex Fuel Delivery Fee
Under $1.00	$5.00
1.01 - 1.20	$8.00
1.21 - 1.40	$12.00
1.41 - 1.60	$15.00
1.61 - 1.80	$20.00

Average Wholesale Fuel Price ($/L)	Flex Fuel Delivery Fee
1.81 - 2.00	$25.00
2.01 - 2.20	$30.00
2.21 - 2.40	$35.00
2.41 - 2.80	$40.00
2.81 - 3.00	$45.00

The average monthly wholesale fuel price will be obtained from the Natural Resources Canada website, and you can find it here:

https://www2.nrcan.gc.ca/eneene/sources/pripri/wholesale_bycity_e.cfm?priceYear=2022&productID=13&locationID=17&frequency=M#priceGraph.

Example:

The average wholesale price of diesel fuel in the month of May, net of all taxes, was $1.571/litre. Therefore, the Flex Delivery Fee in June would be $15.00 per delivery. The Flex Delivery Fee would be in addition to any other fees, such as the Minimum Delivery Fee.
